The Institute of Contemporary Psychotherapy and Psychoanalysis (ICP+P) is approved by the American Psychological Association to sponsor continuing education for psychologists. ICP+P maintains responsibility for this program and its content. ICP+P is approved by the Maryland Board of Social Work Examiners to offer Category I continuing education credit. As our CE program receives oversight from a licensed social worker, the CE credits we award are highly likely to be recognized by licensing boards in Virginia and the District of Columbia. These continuing education credits meet the ANCC standards for nurses. Marriage and family therapists licensed in the District of Columbia, Maryland, and Virginia may submit these CE credits to their licensing boards. (Marriage and family therapists in other jurisdictions and licensed counselors should inquire with their local Boards regarding continuing education credit.) Attendees from the above professional groups will earn 3.0 CE credits for attending this CE event. Full attendance is required to receive the designated CE credit. ICP+P is accredited by MedChi, the Maryland State Medical Society to provide continuing medical education for physicians. ICP+P designates this educational activity for a maximum of 3.0 *AMA PRA Category 1 Credit(s)*<sup>TM</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.
